NOTICE OF ANNUAL AND SPECIAL MEETING OF SHAREHOLDERS

NOTICE IS HEREBY GIVEN that an annual and special meeting (the "**Meeting**") of the holders of the common shares (collectively, the "**Shareholders**" or individually, a "**Shareholder**") of Pangolin Diamonds Corp. (the "**Corporation**") will be held at the offices of Aird & Berlis LLP, Barristers & Solicitors, Brookfield Place, Suite 1800, 181 Bay Street, Toronto, Ontario M5J 2T9 on Wednesday, December 18, 2019 at the hour of 10:00 a.m., local time for the following purposes:

1. To receive the audited financial statements of the Corporation for: (i) the financial years ended June 30, 2019 and 2018; and (ii) the financial years ended June 30, 2018 and 2017; together with the reports of the auditor thereon (collectively, the "**Annual Statements**");
2. to elect the directors of the Corporation to hold office for the ensuing year;
3. to appoint McGovern Hurley LLP, Chartered Professional Accountants, as auditor of the Corporation for the ensuing year and to authorize the directors of the Corporation to fix its remuneration;
4. to consider and, if thought appropriate, pass, with or without variation, a resolution approving the Corporation's rolling stock option plan, as more fully described in the accompanying management information circular dated November 12, 2019 (the "**Circular**");
5. to consider and, if thought appropriate, pass, with or without variation, a special resolution authorizing an amendment to the articles of the Corporation providing that the Corporation's issued and outstanding common shares be consolidated on the basis of one (1) post-consolidation common share for up to every ten (10) existing common shares, as more fully described in the Circular; and
6. to transact such other business as may properly be brought before the meeting or any adjournment for adjournments thereof.

The record date for the determination of Shareholders entitled to receive notice of, and to vote at, the Meeting was Friday, November 1, 2019 (the "**Record Date**"). Shareholders whose names have been entered in the register of Shareholders at the close of business on the Record Date are entitled to receive notice of, and to vote, at the Meeting or any adjournments or postponements thereof.

Notice-and-Access

The Corporation is using the notice-and-access mechanism (the "**Notice-and-Access Provisions**") under National Instrument 54-101 Communication with Beneficial Owners of Securities of a Reporting Issuer and National Instrument 51-102 Continuous Disclosure Obligations, for distribution of Meeting materials to registered and beneficial Shareholders.

Website Where Meeting Materials are Posted

The Notice-and-Access Provisions allow reporting issuers to post electronic versions of proxy-related materials, such as the Circular and Annual Statements (collectively, the "**Proxy-Related Materials**") online, via the System for Electronic Document Analysis and Retrieval ("**SEDAR**") and one other website, rather than mailing paper copies of such materials to Shareholders. Electronic copies of the Circular, the Annual Statements and accompanying management's discussion and analysis of the Corporation's results

of operations and financial condition (the "**MD&A**") may be found on the Corporation's SEDAR profile at www.sedar.com and also on the Corporation's website at www.pangolindiamonds.com. The Corporation will not use procedures known as "**stratification**" in relation to the use of Notice-and-Access Provisions. Stratification occurs when a reporting issuer using the Notice-and-Access Provisions provides a paper copy of the Circular to some Shareholders with this notice package. In relation to the Meeting, all Shareholders will receive the required documentation under the Notice-and-Access Provisions, which will not include a paper copy of the Circular nor the Annual Statements.

Obtaining Paper Copies of Materials

The Corporation anticipates that using the Notice-and-Access Provisions for delivery to all Shareholders will directly benefit the Corporation through a substantial reduction in both postage and material costs, and also promote environmental responsibility by decreasing the large volume of paper documents generated by printing Proxy-Related Materials. Shareholders with questions about notice-and-access can call the Corporation's transfer agent, AST Trust Company ("**AST**") at 1 Toronto Street, Suite 1200, Toronto, Ontario, toll-free at 1-800-387-0825. Shareholders may also obtain paper copies of the Proxy Related Materials free of charge by contacting the Corporation's Chief Financial Officer.

A request for paper copies which are required in advance of the Meeting should be sent so that they are received by the Corporation by November 22, 2019 in order to allow sufficient time for Shareholders to receive the paper copies and to return their proxies or voting instruction forms to intermediaries before Monday, December 16, 2019, at 10:00 a.m. local time, being the date that is not later than 48 hours (excluding Saturdays, Sundays and statutory holidays in the City of Toronto, Ontario) prior to the time set for the Meeting or any adjournments or postponements thereof.

Voting

All Shareholders are invited to attend the Meeting and may attend in person or may be represented by proxy.

FORM OF PROXY FOR REGISTERED SHAREHOLDERS

Completed proxies for Registered Shareholders must be returned to AST, the Corporation's transfer agent and registrar, by mail at P.O. Box 721, Agincourt, Ontario, M1S 0A1, by hand at AST Trust Company, 1 Toronto Street, Suite 1200, Toronto, Ontario, M5C 2V6, by fax at 1-866-781-3111 (within North America) or 416-368-2502 (outside North America), or by email at proxyvote@astfinancial.com, on or before 10:00 a.m. on Monday, December 16, 2019 or deliver it to the chairman of the Meeting on the day of the Meeting or any adjournment thereof prior to the time of voting.

VOTING INSTRUCTION FORMS FOR BENEFICIAL SHAREHOLDERS

Non-registered Shareholders ("**Beneficial Shareholders**"), who have not waived the right to receive the Proxy-Related Materials will either: (i) receive a voting instruction form; or (ii) be given a proxy, which has already been signed by the intermediary (typically by a facsimile, stamped signature) which is restricted to the number of Common Shares beneficially owned by the Beneficial Shareholder but which is otherwise not completed.

Beneficial Shareholders should carefully follow the instructions that accompany the voting instruction form or the proxy, including those indicating when and where the voting instruction form or the proxy is to be delivered. Voting instructions must be deposited by the Proxy Deadline; however, your voting instruction form may provide for an earlier date to process your votes in a timely manner. A Beneficial Shareholder

wishing to attend and vote at the Meeting in person should follow the corresponding instructions on the voting instruction form or, in the case of a proxy, strike out the names of the persons named in the proxy and insert the Beneficial Shareholder's name in the space provided.

DATED at Toronto, Ontario this 12th day of November, 2019.

BY ORDER OF THE BOARD

"Leon Daniels"

Dr. Leon Daniels
President and Chief Executive Officer

MANAGEMENT INFORMATION CIRCULAR

SOLICITATION OF PROXIES

This management information circular (the "**Circular**") is furnished in connection with the solicitation of proxies by the management of Pangolin Diamonds Corp. (the "**Corporation**") for use at the annual and special meeting (the "**Meeting**") of holders (collectively, the "**Shareholders**" or individually, a "**Shareholder**") of common shares in the capital of the Corporation ("**Common Shares**") to be held at the time and place and for the purposes set forth in the attached Notice of Annual and Special Meeting of Shareholders (the "**Notice**"). The solicitation will be primarily by mail, but proxies may also be solicited personally or by telephone by regular employees of the Corporation. The cost of solicitation will be borne by the Corporation.

The Corporation is using the notice-and-access mechanism (the "**Notice-and-Access Provisions**") under National Instrument 54-101 Communication with Beneficial Owners of Securities of a Reporting Issuer ("**NI 54-101**") and National Instrument 51-102 Continuous Disclosure Obligations ("**NI 51-102**") for distribution of this Circular to both registered and Beneficial Shareholders (as defined below) of Common Shares. Further information on the Notice-and-Access Provisions is contained below under the heading "**Notice and Access**" and Shareholders are encouraged to read this information for an explanation of their rights.

Except as noted below, the Corporation has distributed or made available for distribution, copies of the meeting materials to clearing agencies, securities dealers, banks and trust companies or their nominees (collectively, the "**Intermediaries**") for distribution to Beneficial Shareholders (as defined below) whose Common Shares are held by or in custody of such Intermediaries. Such Intermediaries are required to forward such documents to Beneficial Shareholders unless a Beneficial Shareholder has waived the right to receive them. The Corporation has elected to pay for the delivery of the meeting materials to objecting Beneficial Shareholders by the Intermediaries. The Corporation is sending proxy-related materials directly to non-objecting Beneficial Shareholders, through the services of its transfer agent and registrar, AST Trust Company. The solicitation of proxies from Beneficial Shareholders will be carried out by the Intermediaries or by the Corporation if the names and addresses of the Beneficial Shareholders are provided by Intermediaries. The Corporation will pay the permitted fees and costs of Intermediaries incurred in connection with the distribution of the meeting materials.

APPOINTMENT AND REVOCATION OF PROXIES

The persons named in the enclosed form of proxy are officers and/or directors of the Corporation. **A Shareholder has the right to appoint a person (who need not be a Shareholder) to attend and act for such Shareholder and on his, her or its behalf at the Meeting other than the persons designated in the enclosed form of proxy.** Such right may be exercised by inserting in the blank space provided for that purpose the name of the desired person or by completing another proper form of proxy and, in either case, delivering the completed and executed proxy to the Corporation's transfer agent and registrar, AST Trust Company, by mail at P.O. Box 721, Agincourt, Ontario, M1S 0A1, by hand at AST Trust Company, 1 Toronto Street, Suite 1200, Toronto, Ontario, M5C 2V6, by fax at 1-866-781-3111 (within North America) or 416-368-2502 (outside North America) or by email at proxyvote@astfinancial.com, not later than 10:00 a.m. on Monday, December 16, 2019 or delivering it to the chairman of the Meeting on the day of the Meeting or any adjournment thereof prior to the time of voting. A proxy must be executed by the registered Shareholder or his or her attorney duly authorized in writing or, if the Shareholder is a corporation, by an officer or attorney thereof duly authorized.

Proxies given by Shareholders for use at the Meeting may be revoked prior to their use:

- (a) by depositing an instrument in writing executed by the Shareholder or by such Shareholder's attorney duly authorized in writing or, if the Shareholder is a corporation, by an officer or attorney thereof duly authorized indicating the capacity under which such officer or attorney is signing:
 - (i) at the registered office, 25 Adelaide Street East, Suite 1614, Toronto, Ontario, M5C 3A1, at any time up to and including Monday, December 16, 2019; or
 - (ii) with the chairman of the Meeting on the day of the Meeting or any adjournment thereof; or
- (b) in any other manner permitted by law.

EXERCISE OF DISCRETION BY PROXIES

The persons named in the accompanying form of proxy will vote the Common Shares in respect of which they are appointed in accordance with the direction of the Shareholders appointing them. **In the absence of such direction, such Common Shares will be voted in favour of the passing of the matters set out in the Notice. The form of proxy confers discretionary authority upon the persons named therein with respect to amendments or variations to matters identified in the Notice and with respect to other matters which may properly come before the Meeting or any adjournment thereof.** At the time of the printing of this Circular, the management of the Corporation knows of no such amendments, variations or other matters to come before the Meeting other than the matters referred to in the Notice. **However, if any other matters which at present are not known to the management of the Corporation should properly come before the Meeting, the proxy will be voted on such matters in accordance with the best judgment of the named proxies.**

ADVICE TO BENEFICIAL SHAREHOLDERS

Shareholders should note that only proxies deposited by Shareholders whose names appear on the records of the Corporation as the registered holders of Common Shares, or non-objecting beneficial owners whose names have been provided to the Corporation's registrar and transfer agent, can be recognized and acted upon at the Meeting. The information set forth in this section is therefore of significant importance to a substantial number of Shareholders who do not hold their Common Shares in their own name (referred to in this section as "**Beneficial Shareholders**"). If Common Shares are listed in an account statement provided to a Shareholder by an Intermediary, then in almost all cases those Common Shares will not be registered in such Shareholder's name on the records of the Corporation. Such Common Shares will more likely be registered under the name of the Shareholder's Intermediary or an agent of that Intermediary. In Canada, the vast majority of such Common Shares are registered under the name of CDS & Co., as nominee for CDS Clearing and Depository Services Inc., which acts as a depository for many Canadian Intermediaries. Common Shares held by Intermediaries or their nominees can only be voted for or against resolutions upon the instructions of the Beneficial Shareholder. Without specific instructions, Intermediaries are prohibited from voting Common Shares for their clients.

Applicable regulatory policy requires Intermediaries to seek voting instructions from Beneficial Shareholders in advance of shareholders' meetings. Every Intermediary has its own mailing procedures and provides its own return instructions, which should be carefully followed by Beneficial Shareholders in order to ensure that their Common Shares are voted at the Meeting. Often the form of proxy supplied to a Beneficial Shareholder by its Intermediary is identical to the form of proxy provided by the Corporation to

the Intermediaries. However, its purpose is limited to instructing the Intermediary how to vote on behalf of the Beneficial Shareholder. The majority of Intermediaries now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**"). Broadridge typically mails the voting instruction forms or proxy forms to the Beneficial Shareholders and asks the Beneficial Shareholders to return the voting instruction forms or proxy forms to Broadridge. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting. A Beneficial Shareholder receiving a proxy or voting instruction form from Broadridge cannot use that proxy to vote Common Shares directly at the Meeting - the proxy must be returned to Broadridge well in advance of the Meeting in order to have the Common Shares voted.

Although Beneficial Shareholders may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of their Intermediary, a Beneficial Shareholder may attend the Meeting as proxyholder for the Intermediary and vote their Common Shares in that capacity. Beneficial Shareholders who wish to attend the Meeting and indirectly vote their own Common Shares as proxyholder for the Intermediary should enter their own names in the blank space on the management form of proxy or voting instruction form provided to them and return the same to their Intermediary (or the agent of such Intermediary) in accordance with the instructions provided by such Intermediary or agent well in advance of the Meeting. **Beneficial Shareholders should carefully follow the instructions of their Intermediaries and their service companies.**

All references to shareholders in this Circular and the accompanying form of proxy and Notice are to Shareholders of record unless specifically stated otherwise.

NOTICE AND ACCESS

As noted above, the Corporation is using the Notice-and-Access Provisions under NI 54-101 and NI 51-102 for distribution of this Circular to all registered Shareholders and Beneficial Shareholders.

The Notice-and-Access Provisions allow reporting issuers to post electronic versions of proxy-related materials, such as this Circular and Financial Statements (as defined herein) (collectively, the "**Proxy-Related Materials**") online, via the System for Electronic Document Analysis and Retrieval ("**SEDAR**") and one other website, rather than mailing paper copies of such materials to Shareholders. Electronic copies of this Circular, financial statements of the Corporation for the financial years ended June 30, 2019 and 2018 and the financial years ended June 30, 2018 and 2017 (collectively, the "**Financial Statements**"), and related management's discussion and analysis of the Corporation's results of operations and financial condition (the "**MD&A**"), may be found on the Corporation's SEDAR profile at www.sedar.com and on the Corporation's website at www.pangolindiamonds.com. The Corporation will not use procedures known as "stratification" in relation to the use of Notice-and-Access Provisions. Stratification occurs when a reporting issuer using the Notice-and-Access Provisions provides a paper copy of its information circular to some shareholders with the notice package. In relation to the Meeting, all Shareholders will receive the required documentation under the Notice-and-Access Provisions, which will not include a paper copy of this Circular. **Shareholders are reminded to review this Circular before voting.**

Although this Circular, the Financial Statements and the MD&A will be posted electronically online as noted above, Shareholders will receive paper copies of a "notice package" via prepaid mail containing the Notice with information prescribed by NI 54-101 and NI 51-102, a form of proxy or voting instruction form, and supplemental mail list return card for Shareholders to request they be included in the Corporation's supplementary mailing list for receipt of the Financial Statements.

The Corporation anticipates that relying on Notice-and-Access Provisions will directly benefit the Corporation through a substantial reduction in both postage and material costs, and also promote environmental responsibility by decreasing the large volume of paper documents generated by printing Proxy-Related Materials.

Shareholders with questions about the Notice-and-Access can call the Corporation's transfer agent, AST, at 416-682-3860 or toll-free at 1-800-387-0825. Shareholders may also obtain paper copies of Proxy Related Materials free of charge upon request to the Chief Financial Officer of the Corporation by email at gwarren@pangolindiamonds.com.

A request for paper copies which are required in advance of the Meeting should be sent so that they are received by the Corporation by November 22, 2019 to allow sufficient time for Shareholders to receive their paper copies and to return a) their form of proxy to the Corporation or AST, or b) their voting instruction form to their Intermediaries by the Proxy Deadline.

NOTE TO NON-OBJECTING BENEFICIAL OWNERS

The Proxy-Related Materials are being sent to both registered and Beneficial Shareholders. If you are a Beneficial Shareholder, and the Corporation or its agent has sent the Proxy-Related Materials directly to you, your name and address and information about your holdings of Common Shares, have been obtained in accordance with applicable securities regulatory requirements from the Intermediary holding on your behalf. By choosing to send the Proxy-Related Materials to you directly, the Corporation (and not the Intermediary holding on your behalf) has assumed responsibility for (i) delivering the Proxy-Related Materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions.

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

The Corporation has fixed the close of business on Friday, November 1, 2019 as the record date (the "**Record Date**") for the purposes of determining Shareholders entitled to receive the Notice and vote at the Meeting. As at the Record Date, 159,992,618 Common Shares carrying the right to one vote per share at the Meeting were issued and outstanding. The Corporation has no other class of voting securities.

To the knowledge of the directors and executive officers of the Corporation, as at the date of this Circular, no persons beneficially own, or control or direct, directly or indirectly, voting securities of the Corporation carrying 10% or more of the voting rights attached to the Common Shares.

DIRECTOR AND NAMED EXECUTIVE OFFICER COMPENSATION

Oversight and Description of Director and Named Executive Officer Compensation

The general objectives of the Corporation's compensation strategy are to: (a) compensate management in a manner that encourages and rewards a high level of performance and outstanding results with a view to increasing long-term shareholder value; (b) align management's interests with the long-term interests of shareholders; and (c) attract and retain highly qualified executive officers.

Elements of Compensation

Base Salary

Each Named Executive Officer (as such term is defined below) receives a base salary, which constitutes a significant portion of the Named Executive Officer's compensation package. Base salary is recognition for discharging day to day duties and responsibilities and reflects the Named Executive Officer's performance over time, as well as that individual's particular experience and qualifications. A Named Executive Officer's base salary is reviewed by the board of directors of the Corporation (the "**Board**") on an annual basis and may be adjusted to take into account performance contributions for the year and to reflect sustained performance contributions over a number of years.

Stock Options

The Corporation's directors, officers, employees and consultants, if any, are eligible under the Corporation's stock option plan (the "**Stock Option Plan**") to receive grants of stock options. The Stock Option Plan is an important part of the Corporation's long-term incentive strategy for its officers and directors, permitting them to participate in appreciation of the market value of the Common Shares over a stated period of time. The Stock Option Plan is intended to reinforce commitment to long-term growth in profitability and shareholder value. The size of the stock option grants to officers and directors is dependent on each officer's and director's level of responsibility, authority and importance to the Corporation and to the degree to which such officer's or director's long term contribution to the Corporation will be key to its long term success.

The Stock Option Plan is designed to encourage share ownership and entrepreneurship on the part of the senior management and other employees. The Board believes that the Stock Option Plan aligns the interests of the Named Executive Officers and the Board with shareholders by linking a component of executive compensation to the longer term performance of the Corporation.

Options are granted by the Board of the Corporation. In monitoring or adjusting the option allotments, the Board takes into account its own observations on individual performance (where possible) and its assessment of individual contribution to shareholder value, previous option grants and the objectives set for the Named Executive Officers. The scale of options is generally commensurate to the appropriate level of base compensation for each level of responsibility. The Board will make these determinations subject to and in accordance with the provisions of the Stock Option Plan.

Compensation of Directors

The independent directors of the Board will recommend how much, if any, cash compensation will be paid to directors for services rendered by directors, in such capacity, to the Corporation. The directors of the Corporation may be paid cash compensation commensurate with the prevailing level of compensation for directors in the same industry in which the Corporation operates.

Named Executive Officers who also act as directors of the Corporation will not receive any additional compensation for services rendered in such capacity, other than as paid by the Corporation to such Named Executive Officers in their capacity as executive officers.

Compensation Governance

The independent members of the Board (the "**Independent Members**") have the responsibility for determining compensation for the Board and the Named Executive Officers. Patrick Harford and Louis

Peloquin are independent as such term is defined in National Instrument 58-101 – Disclosure of Corporate Governance Practices ("NI 58-101").

The Independent Members meet on compensation matters as and when required with respect to executive compensation. The primary goal of the meetings of Independent Members as they relate to compensation matters is to ensure that the compensation provided to the Named Executive Officers is determined with regard to the Corporation's business strategies and objectives, such that the financial interest of the executive officers is aligned with the financial interest of shareholders, and to ensure that their compensation is fair and reasonable and sufficient to attract and retain qualified and experienced executives. The Independent Members are given the authority to engage and compensate any outside advisor that the Independent Members determine to be necessary to carry out their duties.

To determine compensation payable, the Independent Members review compensation paid for directors and Chief Executive Officers of companies of similar size and stage of development in the mineral exploration industry and determine an appropriate compensation reflecting the need to provide incentive and compensation for the time and effort expended by the directors and senior management while taking into account the financial and other resources of the Corporation. In setting the compensation, the Independent Members annually review the performance of the Chief Executive Officer in light of the Company's objectives and consider other factors that may have impacted the success of the Company in achieving its objectives.

As a whole, the Independent Members have direct experience and skills relevant to their responsibilities in executive compensation, including with respect to enabling the Independent Members in making informed decisions on the suitability of the Corporation's compensation policies and practices. Each of the Independent Members has experience on the board of directors and related committees of other public companies, as described under "Particulars of Matters to be Acted Upon - Election of Directors" in this Circular.

Executive Compensation-Related Fees

In the financial year ending June 30, 2019, neither the Board nor the Independent Members retained a compensation consultant or advisor to assist the Board or the Independent Members in determining the compensation for any of the Corporation's executive officers' or directors' compensation.

Summary Compensation Table

In this section, "Named Executive Officer" or "NEO" means: (a) the President and Chief Executive Officer; and (ii) the Chief Financial Officer for the Corporation's financial years ended June 30, 2019 and 2018. The Corporation had two "executive officers" as such term is defined in National Instrument 51-102 – Continuous Disclosure Obligations ("NI 51-102") whose compensation must be disclosed for such financial year.

The foregoing information, not being within the knowledge of the Corporation, has been furnished by the proposed directors.

2. **Appointment of Auditor**

Management proposes to nominate McGovern Hurley LLP, Chartered Professional Accountants, to hold office until the next annual meeting of Shareholders.

IT IS INTENDED THAT THE COMMON SHARES REPRESENTED BY PROXIES IN FAVOUR OF MANAGEMENT NOMINEES WILL BE VOTED IN FAVOUR OF THE APPOINTMENT OF MCGOVERN HURLEY LLP, CHARTERED PROFESSIONAL ACCOUNTANTS, AS AUDITOR OF THE CORPORATION AND THE AUTHORIZING OF THE DIRECTORS TO FIX ITS REMUNERATION. AN AFFIRMATIVE VOTE OF A MAJORITY OF THE VOTES CAST BY SHAREHOLDERS AT THE MEETING IS SUFFICIENT FOR THE APPOINTMENT OF THE AUDITOR.

3. **Approval of Stock Option Plan**

Summary of Stock Option Plan

The policies of the Exchange provide that the Board may from time to time, in its discretion, and in accordance with the Exchange requirements, grant to directors, officers, employees, management company employees and consultants of the Corporation and its Affiliates, non-transferable options to purchase Common Shares for a period of up to ten years from the date of grant, provided that the number of Common Shares reserved for issuance may not exceed 10% of the total issued and outstanding Common Shares at the date of the grant.

The purpose of the Stock Option Plan established by the Corporation, pursuant to which the Corporation may grant incentive stock options, is to promote the profitability and growth of the Corporation by facilitating the efforts of the Corporation to obtain and retain key individuals. The Stock Option Plan provides an incentive for and encourages ownership of the Common Shares by its key individuals so that they may increase their stake in the Corporation and benefit from increases in the value of the Common Shares. Pursuant to the Stock Option Plan, the maximum number of Common Shares reserved for issuance in any 12 month period to any one optionee other than a consultant may not exceed 5% of the issued and

outstanding Common Shares at the date of the grant. The maximum number of Common Shares reserved for issuance in any 12 month period to any consultant may not exceed 2% of the issued and outstanding Common Shares at the date of the grant and the maximum number of Common Shares reserved for issuance in any 12 month period to all persons engaged in investor relations activities may not exceed 2% of the issued and outstanding number of Common Shares at the date of the grant. The Stock Option Plan contains a detailed amending provision that sets out the circumstances where Exchange and Shareholder approval will be required and those circumstances where Exchange and Shareholder approval will not be required.

As at November 12, 2019, a total of 1,599,262 Common Shares were issuable under the Stock Option Plan, representing 1% of the issued and outstanding Common Shares.

Approval of the Stock Option Plan

As the Stock Option Plan provides for a rolling maximum number of Common Shares which may be issuable upon the exercise of options granted under the Stock Option Plan, Exchange Policy 4.4 requires that the Stock Option Plan receive shareholder approval each year at the annual shareholders' meeting. Accordingly, Shareholders will be asked to consider and, if thought appropriate, pass a resolution approving the Stock Option Plan. A copy of the Stock Option Plan is attached as Schedule "C" to this Circular.

The Board has unanimously approved the Stock Option Plan and recommends that Shareholders vote FOR the resolution regarding the Stock Option Plan. An affirmative vote of a majority of the votes cast at the Meeting is sufficient to pass the resolution approving the resolution regarding the Stock Option Plan.

The complete text of the resolution which management intends to place before the Meeting for approval, confirmation and adoption, with or without modification, is as follows:

"**WHEREAS** the policies of the TSX Venture Exchange require annual shareholder approval for the continuation of the rolling stock option plan of the Corporation (the "**Plan**");

RESOLVED THAT:

1. the Plan, in the form attached as Schedule "C" to the management information circular of the Corporation dated November 12, 2019, is hereby authorized and approved.
2. any one officer and director of the Corporation be and is hereby authorized for and on behalf of the Corporation to execute and deliver all such instruments and documents and to perform and do all such acts and things as may be deemed advisable in such individual's discretion for the purpose of giving effect to this resolution, the execution of any such document or the doing of any such other act or thing being conclusive evidence of such determination."

COMMON SHARES REPRESENTED BY PROXIES IN FAVOUR OF MANAGEMENT WILL BE VOTED IN FAVOUR OF THE RESOLUTION TO APPROVE THE PLAN IN THE ABSENCE OF DIRECTION TO THE CONTRARY FROM THE SHAREHOLDER APPOINTING THEM. AN AFFIRMATIVE VOTE OF A MAJORITY OF THE VOTES CAST BY SHAREHOLDERS AT THE MEETING IS SUFFICIENT FOR THE APPROVAL OF THE PLAN.

4. Approval of Share Consolidation

At the Meeting, Shareholders will be asked to consider, and if deemed advisable approve, with or without variation, a special resolution, authorizing the consolidation of the issued and outstanding Common Shares

of the Company on the basis of one (1) post-consolidation Common Share for up to every ten (10) pre-consolidation Common Shares (the "**Consolidation**"). The Consolidation will be effected by filing articles of amendment to the Company's Articles of Incorporation, as amended. The timing for implementation of the Consolidation, if undertaken, will be determined by the Board based upon its evaluation as to when such action would be most advantageous to the Company and its Shareholders. The Consolidation is subject to the acceptance of the Exchange. Upon approval of the Consolidation by the Shareholders and acceptance by the Exchange, the Board will have the authority to give effect to the Consolidation. The Company's authorized share capital consists of an unlimited number of Common Shares in the capital of the Corporation. On effecting the Consolidation, the Company will continue to have an unlimited number of authorized Common Shares. The Company's name will not change in connection with the Consolidation. As of the date of this Circular, the Company has 159,992,618 Common Shares issued and outstanding. The proposed Consolidation, if undertaken, assuming the 10:1 ratio, would reduce the number of outstanding Common Shares to approximately 15,999,262 Common Shares. The Board believes that it may be necessary to reduce the number of Common Shares outstanding to enhance the liquidity of the Common Shares as well as the marketability for the Common Shares; however, at this time, the Board has not made any decision to proceed with the Consolidation or, if it does ultimately does so, the quantum of such Consolidation.

Elimination of Fractional Shares

No fractional Common Shares will be issued as a result of the Consolidation, if undertaken. If, as a result of the Consolidation, a Shareholder would otherwise be entitled to a fraction of a post-Consolidation Common Share, the number of post-Consolidation Common Shares issuable to such Shareholder would be rounded to the nearest whole number. In all other respects, the post-Consolidation Common Shares will have the same attributes as the existing Common Shares.

Principle Effects of the Consolidation

The Consolidation, if undertaken, would affect all Shareholders the same. Except for any variances attributable to fractional shares as described above, the change in the number of issued and outstanding Common Shares that would result from the Consolidation would cause no change in the capital attributable to the Common Shares and would not materially affect any Shareholders percentage ownership in the Company, even though such ownership would be represented by a smaller number of Common Shares.

In addition, the Consolidation would not affect any Shareholder's proportionate voting rights. Each Common Share outstanding after the Consolidation, if undertaken, would be entitled to one vote and will be fully paid and non-assessable. The principle effects of the Consolidation would be that:

1. the number of Common Shares issued and outstanding would be reduced from approximately 159,992,618 Common Shares as of November 12, 2019 to approximately 15,999,262 Common Shares (assuming a consolidation of ten (10) existing Common Shares for one (1) post-Consolidation Common Share);
2. the number of Common Shares reserved for issuance under the Corporation's Stock Option Plan would be reduced proportionately based on the consolidation ratio;
3. the exercise or conversion price and/or the number of Common Shares issuable under the Company's outstanding stock options would be proportionately adjusted upon the Consolidation (based on the consolidation ratio selected by the Board) with any fraction rounded to the nearest whole number (see "Elimination of Fractional Shares");

4. the exercise price and/or the number of Common Shares issuable under certain outstanding share purchase warrants of the Corporation would also be proportionately adjusted upon the Consolidation based on the consolidation ratio. The Consolidation will not be considered to result in a disposition of Common Shares by Shareholders for Canadian federal income tax purposes. The aggregate adjusted cost base to a Shareholder for such purposes of all Common Shares held by the Shareholder would not change as a result of the Consolidation; however, the Shareholder's adjusted cost base per Common Share will increase proportionately.

This summary is general in its nature. This summary is not intended to be or to be construed as legal or tax advice to any Shareholder. It is not exhaustive of all federal income tax considerations. Shareholders should consult their own advisors in respect of the foregoing.

Effect on Beneficial Shareholders

Beneficial Shareholders holding their Common Shares through a bank, broker or other nominee should note that such banks, brokers or other nominees may have different procedures for processing the Consolidation, if implemented, than those that will be put in place by the Corporation for Registered Shareholders. If you hold your shares with such a bank, broker or other nominee and if you have questions in respect of the foregoing, you should contact your nominee.

Effect on Share Certificates

If the Consolidation is approved by Shareholders and implemented, Registered Shareholders will be required to exchange their share certificates representing pre-Consolidation Common Shares for new share certificates representing post-Consolidation Common Shares. Following the announcement by the Company of the consolidation ratio selected by the Board and the effective date of the Consolidation, registered Shareholders will be sent a letter of transmittal from the Company's transfer agent, AST, as soon as practicable after the effective date of the Consolidation. The letter of transmittal will contain instructions on how to surrender certificate(s) representing pre-Consolidation Common Shares to the transfer agent. The transfer agent will forward to each Registered Shareholder who has sent the required documents a new share certificate representing the number of post-Consolidation Common Shares to which the Shareholder is entitled. Until surrendered, each share certificate representing pre-Consolidation Common Shares will be deemed for all purposes to represent the number of whole post-Consolidation Common Shares, to which the holder is entitled as a result of the Consolidation. **DO NOT DESTROY ANY SHARE CERTIFICATE(S) AND DO NOT SUBMIT ANY CERTIFICATE(S) UNTIL REQUESTED TO DO SO.**

No Dissent Rights

Under the *Business Corporations Act* (Ontario), Shareholders do not have dissent rights with respect to the proposed Consolidation.

Certain Risks associated with the Share Consolidation

The effect of the Consolidation, if implemented, upon the market price of the Common Shares cannot be predicted with any certainty, and the history of similar share consolidations for corporations similar to the Corporation is varied. There can be no assurance that the total market capitalization of the Common Shares immediately following the Consolidation would be equal to or greater than the total market capitalization immediately before the Consolidation. In addition, there can be no assurance that the per-share market price of the Common Shares following the Consolidation would remain higher than the per-share market price immediately before the Consolidation or equal or exceed the direct arithmetical result of the Consolidation.

In addition, a decline in the market price of the Common Shares after the Consolidation may result in a greater percentage decline than would occur in the absence of the Consolidation.

Special Shareholder Resolution To Approve The Amendment To The Articles Of Incorporation Of The Corporation – Share Consolidation

The Shareholders will be asked to consider, and, if thought fit, pass a special resolution to authorize the Consolidation of the issued and outstanding Common Shares of the Company in the following form:

"BE IT RESOLVED THAT AS A SPECIAL RESOLUTION, WITH OR WITHOUT VARIATION, SUBJECT TO THE ACCEPTANCE BY THE TSX VENTURE EXCHANGE:

1. if and when the board of directors of the Corporation shall deem appropriate to do so and subject to the approval of the TSX Venture Exchange, Pangolin Diamonds Corp. (the "Corporation") be and it is hereby authorized to amend its Articles of Incorporation, as amended, to consolidate (the "Consolidation") the number of issued and outstanding common shares of the Company (the "Common Shares") on the basis of up to a maximum of ten (10) pre-Consolidation Common Shares for one (1) post-Consolidation Common Share;

- (a) establish policies and adopt rules and regulations for carrying out the purposes, provisions and administration of the Plan;

- (i) prescribe the form of the instruments relating to the grant, exercise and other terms of Options.

ARTICLE 4 OPTION PRICE

4.1 Subject to applicable Exchange approval, the Option Price shall be fixed by the Board at the time the Option is granted to a Participant. In no event shall the price be less than the Discounted Market Price (as defined in the policies of the Exchange). If a press release fixing the price is not issued, the Discounted Market Price is the closing price per Share on the Exchange on the last trading day preceding the date of grant on which there was a closing price (less the applicable discount) or, if the Shares are not listed on any stock exchange, a price determined by the Board; provided that, if the Board, in its sole discretion, determines that the closing price on the last trading day preceding the date of grant would not be representative of the market price of the Shares, then the Board may base the price on the greater of the closing price and the weighted average price per share for the Shares for five (5) consecutive trading days ending on the last trading day preceding the date of grant on which there was a closing price on the Exchange. The weighted average price shall be determined by dividing the aggregate sale price of all Shares sold on the Exchange during the said five (5) days, by the total number of Shares so sold.

4.2 Once the Option Price has been determined by the Board, accepted by the Exchange and the Option has been granted, if the Optionee is an Insider, the Option Price may only be reduced if disinterested shareholder approval is obtained; provided that such disinterested shareholder approval is then a requirement of the Exchange or other regulatory body having jurisdiction.

ARTICLE 5 SHARES SUBJECT TO PLAN

5.1 The aggregate number of Shares of the Corporation allocated and made available to be granted to Eligible Persons under the Plan shall not exceed 10% of the issued and outstanding Shares of the Corporation as at the date of grant (on a non-diluted basis). Any issuance of Shares from treasury pursuant to the exercise of Options shall automatically replenish the number of Shares available for Option grants under the Plan. Shares in respect of which Options are cancelled or not exercised prior to expiry, for any reason, shall be available for subsequent Option grants under the Plan. No fractional shares may be

purchased or issued hereunder. Any grant of Options under the Plan shall be subject to the following restrictions:

- (a) the aggregate number of Shares reserved for issuance pursuant to Options granted to any one Optionee, other than a Consultant, in any 12 month period may not exceed 5% of the Corporation's total issued and outstanding Shares, unless disinterested shareholder approval is obtained;
- (b) the aggregate number of Shares issuable pursuant to Options granted to Insiders pursuant to the Plan and other security based compensation arrangements may not exceed 10% of the Corporation's total issued and outstanding Shares, unless disinterested shareholder approval is obtained;
- (c) the aggregate number of Shares issued to Insiders pursuant to the Plan and other security based compensation arrangements in any 12 month period may not exceed 10% of the Corporation's total issued and outstanding Shares, unless disinterested shareholder approval is obtained;
- (d) no more than 2% of the total issued and outstanding Shares at the time of grant may be granted to any one Consultant in any 12 month period;
- (e) no more than an aggregate of 2% of the total issued and outstanding Shares at the time of a grant may be granted to all persons engaged to conduct Investor Relations Activities in any 12 month period; and
- (f) any Option granted to persons engaged in investor Relation activities must vest over 12 months on a quarterly basis, and no acceleration of such Options may occur without prior Exchange acceptance.

ARTICLE 6 ELIGIBILITY, GRANT AND TERMS OF OPTIONS

6.1 Options may be granted to Eligible Persons.

6.2 In addition to any resale restriction under securities laws, an Option may be subject to a four (4) month Exchange hold period commencing on the date the Option is granted.

6.3 Options shall be granted by the Corporation only as approved by the Board.

6.4 Subject to the other terms and conditions of this Article 6, the Board shall determine the number of Shares subject to each Option, the Option Price, the expiration date of each Option, the extent to which each Option is exercisable from time to time during the term of the Option and other terms and conditions relating to each such Option. If no specific determination is made by the Board with respect to any of the following matters, each Option shall, subject to any other specific provisions of the Plan, contain the following terms and conditions:

- (a) the period during which an Option shall be exercisable shall be ten (10) years from the date of the Option Agreement relating to such Option; and
- (b) each Optionee understands and accepts as a term of any grant of an Option hereunder that although no conditions of vesting may attach or be imposed to the grant of an Option

hereunder, if the Corporation completes a reverse-take-over or other form of "**public**" transaction with a publicly listed company, it may be a condition of any applicable stock exchange or other securities regulatory authority (such as the TSX or TSX-V) that such Options conform to the then in place rules of such stock exchange or securities regulatory authority in order to be valid Options. Each Optionee accordingly agrees to execute any documents necessary to conform such Optionee's Option to applicable stock exchange rules or other applicable securities regulatory authority rules.

6.5 No Options shall be granted to an Optionee unless the Optionee has entered into an agreement relating to that Option substantially in the form of one of the agreements attached hereto as Schedule A, or such other agreement that is acceptable to the Corporation.

6.6 An Option is personal to the Optionee and is non-assignable. No Option granted hereunder shall be pledged, hypothecated, charged, transferred, assigned or otherwise encumbered or disposed of by the Optionee, whether voluntarily or by operation of law, otherwise than by testate succession or the laws of descent and distribution, and any attempt to do so will cause such Option to terminate and be null and void. During the lifetime of the Optionee, an Option shall be exercisable only by the Optionee and, upon the death of an Optionee, the person to whom the rights shall have passed by testate succession or by the laws of descent and distribution may exercise any Option in accordance with the provisions of Article 7.

ARTICLE 7 TERMINATION OF EMPLOYMENT OR SERVICES

7.1 Subject to Section 7.2 and to any express resolution passed by the Board providing otherwise, all Options held by an employee of the Corporation or any Subsidiary (an "**Employee Optionee**") shall expire and terminate immediately upon the earlier of (a) the day on which the Optionee ceases for any reason to be an Employee Optionee (the "**Termination Date**") and (b) the day on which the Employee Optionee is given a notice of termination, notice of dismissal or other similar notice by the Corporation (the "**Notice Date**").

7.2 If, before the expiry of an Option in accordance with the terms thereof, the employment of an Employee Optionee by the Corporation or by any Subsidiary shall terminate for any reason whatsoever other than termination by the Corporation for cause, but including termination by reason of the death of the Employee Optionee, the Options held by the former Employee Optionee may, subject to the terms thereof and the other terms of the Plan, be exercised as follows:

- (a) if the Employee Optionee is deceased, by the legal personal representative(s) of the estate of the Employee Optionee at any time during the 90-day period following the death of the Employee Optionee; or
- (b) if the Employee Optionee is alive, by the Employee Optionee at any time during the 90-day period following the earlier of (i) the Termination Date and (ii) the Notice Date.

7.3 Options shall not be affected by any change of employment of the Employee Optionee or by the Employee Optionee ceasing to be a director or officer where the Employee Optionee continues to be employed by the Corporation or any Subsidiary.

7.4 Subject to Section 7.5 and any express resolution passed by the Board providing otherwise, all Options held by a person that is not an Employee Optionee (a "Non-Employee Optionee") shall expire and terminate immediately on the effective date of the termination of the provision of services to the Corporation by such Non-Employee Optionee.

7.5 If, before the expiry of an Option in accordance with the terms thereof, the provision of services by any Non-Employee Optionee terminates for any reason whatsoever other than termination by the Corporation in connection with any breach or default by the Non-Employee Optionee of the terms and conditions upon which the Non-Employee Optionee was providing services to the Corporation, but including the termination of the provision of services by reason of the death of the Non-Employee Optionee, the Options held by the Non-Employee Optionee may, subject to the terms thereof and the other terms of the Plan, be exercised as follows:

- (a) if the Non-Employee Optionee is deceased, by the legal personal representative(s) of the estate of the Non-Employee Optionee at any time during the 90-day period following the death of the Non-Employee Optionee; or
- (b) if the Non-Employee Optionee is alive, by the Non-Employee Optionee at any time during the 30-day period following the effective date of the termination of the provision of services to the Corporation by such Non-Employee Optionee.

7.6 Notwithstanding anything else contained in this Article 7, Options shall only be exercisable to the extent that (a) the Employee Optionee or Non-Employee Optionee was entitled to exercise such Option at (i) in the case of an Employee Optionee, the earlier of the Termination Date and the Notice Date and (ii) in the case of a Non-Employee Optionee, the effective date of the termination of the provision of services to the Corporation by such Non-Employee Optionee and (b) such Option has not otherwise expired in accordance with its terms.

ARTICLE 8 EXERCISE OF OPTIONS

8.1 Subject to the provisions of the Plan, an Option which has vested and become exercisable in accordance with its terms may be exercised from time to time by delivery to the Corporation at its registered office of a written notice of exercise addressed to the Secretary of the Corporation specifying the number of Shares with respect to which the Option is being exercised and accompanied by payment in full of the Option Price of the Shares to be purchased. Certificates for such Shares shall be issued and delivered to the Optionee within a reasonable time following the receipt of such notice and payment.

8.2 Except as expressly provided herein or otherwise determined by the Board, no unvested Options may be exercised.

8.3 Notwithstanding anything else contained in the Plan or in any Option, the Corporation's obligation to issue Shares to an Optionee upon the exercise of an Option shall be subject to the following:

- (a) the completion of such registration or other qualification of such Shares and the receipt of any approvals of governmental or regulatory authorities that the Corporation may determine to be necessary or advisable in connection with the authorization, issuance or sale thereof;
- (b) the receipt from the Optionee of such representations, agreements and undertakings, including as to future dealings in such Shares, as the Corporation or its counsel determines to be necessary or advisable in order to safeguard against the violation of the securities laws of any jurisdiction; and

- (c) the Optionee having entered into (i) an agreement concerning the Option substantially in the form of the applicable agreement attached hereto as Schedule A, or such other similar agreement as may be acceptable to the Corporation.

In connection with the foregoing, the Corporation shall, to the extent necessary, take all reasonable steps to obtain such approvals, registrations and qualifications as may be necessary for the issuance of such Shares in compliance with applicable securities laws and for the listing of such Shares on any stock exchange on which the Shares are then or may become listed.

ARTICLE 9 CERTAIN ADJUSTMENTS

Appropriate adjustments in the number of Shares subject to the Plan and, with respect to Options granted or to be granted, in the number of Shares optioned and the Option Price shall be made by the Board to give effect to adjustments in the number of Shares resulting from any subdivision, consolidation or reclassification of the Shares, the payment of any stock dividend by the Corporation (other than dividends in the ordinary course) or other relevant changes in the capital stock of the Corporation.

ARTICLE 10 AMENDMENT OR DISCONTINUANCE OF PLAN; ACCELERATED VESTING

10.1 The Board may amend or discontinue the Plan at any time without notice to the Optionees.

10.2 If the Corporation proposes to amalgamate, merge or consolidate with any other corporation or to liquidate, dissolve or wind-up, or in connection with any proposed sale or conveyance of all or substantially all of the property or assets of the Corporation or any proposed offer to acquire all of the outstanding Shares of the Corporation or any other proposed transaction involving the Corporation (in each case, a "**Liquidity Event**"), the Board may, in its sole and absolute discretion, determine in connection with any such Liquidity Event to permit the early exercise of all or any portion of the then outstanding Options. Whether or not the Board determines to accelerate the vesting of any Options, the Corporation shall give written notice of any proposed Liquidity Event to each Optionee. Upon the giving of any such notice, the Optionees shall be entitled to exercise, at any time within the 14-day period following the giving of such notice, all or a portion of those Options granted to such Optionees which are then vested and exercisable in accordance with their terms, as well as any Options which the Board has determined shall be immediately exercisable. Upon the expiration of such 14-day period, all rights of the Optionees to purchase the Shares underlying the Options or to exercise any Options shall terminate and all outstanding Options shall immediately expire and cease to have any further force or effect.

10.3 The approval of the Board and the requisite approval from the Exchange and the shareholders shall be required for any of the following amendments to be made to the Plan:

- (a) any increase to the fixed maximum percentage of Shares issuable under the Plan;
- (b) a reduction in the exercise price or purchase price of an Option (other than for standard anti-dilution purposes) held by or benefiting an Insider;
- (c) an increase in the maximum number of Shares that may be issued to Insiders within any one year period or that are issuable to Insiders at any time;
- (d) an extension of the term of an Option held by or benefiting an Insider;

- (e) any change to the definition of "**Eligible Person**" which would have the potential of broadening or increasing Insider participation;
- (f) the addition of any form of financial assistance;
- (g) any amendment to a financial assistance provision which is more favourable to Eligible Persons;
- (h) the addition of a deferred or restricted share unit or any other provision which results in Eligible Persons receiving securities while no cash consideration is received by the Corporation; and
- (i) any other amendments that may lead to significant or unreasonable dilution in the Corporation's outstanding securities or may provide additional benefits to Eligible Persons especially Insiders, at the expense of the Corporation and its existing shareholders.

10.4 The Board may, without shareholder approval but subject to receipt of requisite approval as required by the Exchange, in its sole discretion make all other amendments to the Plan that are not the type contemplated in Section 10.3 above including, without limitation:

- (a) amendments of a housekeeping nature;
- (b) a change to the vesting provisions of an Option or the Plan; and
- (c) a change to the termination provisions of an Option or the Plan which does not entail an extension beyond the original expiry date.

ARTICLE 11 MISCELLANEOUS PROVISIONS

11.1 The holder of an Option shall not have any rights as a shareholder of the Corporation with respect to any of the Shares covered by such Option until such holder shall have exercised such Option in accordance with the terms of the Plan (including tendering payment in full of the Option Price of the Shares in respect of which the Option is being exercised) and the Corporation has issued the Shares to the Optionee.

11.2 Notwithstanding any other provisions of this Plan, the Corporation may, from time to time, implement such procedures and conditions as it determines appropriate with respect to the withholding and remittance of taxes imposed under applicable law or the funding of related amounts for which liability may arise under such applicable law (collectively, the "Tax Obligations"). Without limiting the generality of the foregoing, a Participant who wishes to exercise an option must, in addition to following the procedures set out in any stock option agreement and elsewhere in this Plan, and as a condition of exercise:

- (a) deliver a certified cheque, wire transfer or bank draft payable to the Corporation for the amount determined by the Corporation to be the appropriate amount on account of such Tax Obligations, or
- (b) otherwise ensure, in a manner acceptable to the Corporation (if at all) in its sole and unfettered discretion, that such amount will be made available to the Corporation on a secure and timely basis, and must in all other respects follow any related procedures and conditions imposed by the Corporation, failing which the Corporation shall not be obliged to honour the purported option exercise or issue certificates for Shares.

- (c) Without limiting the generality of the foregoing or limiting the Corporation's discretion under this Section 10.2, the Corporation may, at its option:
- (i) accept the exercise of the options and withhold all or any number of Shares issued upon exercise of the options and deliver such number of Shares as it may determine to a broker or other selling agent for purposes of sale, or otherwise sell or transfer such Shares. In implementing any such sale or transfer, neither the Corporation nor any broker or selling agent shall be obligated to seek or obtain a minimum price or be liable for any loss arising out of any sale or transfer of such Shares (relating to the manner or timing of such sale or transfer, the terms or prices at which such Shares are sold or transferred, or otherwise). Any net proceeds derived therefrom shall in the first instance serve to satisfy the Tax Obligations and all related fees, interest or other obligations in respect thereof, and shall be available or made available to the Corporation for the purpose of satisfying the foregoing. Any shortfall in such net proceeds as required to satisfy such Tax Obligations and other amounts shall be to the account of the Participant and (without limiting the Corporation's remedies available under law) may be recovered by the Corporation from the Participant by way of set-off against any other amount or property then or thereafter owing by the Corporation to the Participant in any capacity (whether salary or other remuneration, Shares or remaining Shares issued on exercise of options then otherwise to be issued, or in any other manner). Any net proceeds derived from a sale or other transfer of such Shares in excess of the amount determined by the Corporation to be the amount required to satisfy the Tax Obligations and related fees, interest or other obligations shall, together with any remaining Shares not so sold or transferred, also be for the account of the Participant; or
 - (ii) (accept the exercise of the options if and provided that the Participant and the Corporation have agreed to procedures, acceptable to the Corporation in its sole discretion, whereby a sale of Shares sufficient to satisfy the Tax Obligations and related amounts (as determined by the Corporation in its sole discretion) has been coordinated through a broker or sales agent (including such broker or sales agent acting for the Participant) on a basis that: (i) obliges such broker or sales agent to retain and provide such amounts to the Corporation on a timely basis, and (ii) does not oblige the Corporation to issue such optioned Shares except against payment and delivery of such amounts (and the amount of the option exercise price if not separately paid under Section 10.2(a))

11.3 Nothing in the Plan or any Option shall confer upon any Employee Optionee any right to continue in the employ of the Corporation or any Subsidiary or affect in any way the right of the Corporation or any Subsidiary to terminate his or her employment at any time. In addition, nothing in the Plan or any Option shall be deemed to be or construed as an agreement, or an expression of intent, on the part of the Corporation or any Subsidiary to extend the employment of any Employee Optionee beyond the time which he or she would normally be retired pursuant to the provisions of any present or future retirement plan of the Corporation or any Subsidiary or any present or future retirement policy of the Corporation or any Subsidiary, or beyond the time at which he or she would otherwise be retired pursuant to the provisions of any contract of employment with the Corporation or any Subsidiary.

11.4 Nothing in the Plan or any Option shall confer on any Non-Employee Optionee any right to continue to provide services to the Corporation or any Subsidiary or affect in any way the right of the Corporation or any Subsidiary to terminate at any time any agreement or contract with such Non-Employee

Optionee. In addition, nothing in the Plan or any Option shall be deemed to be or construed as an agreement, or an expression of intent, on the part of the Corporation or any Subsidiary to extend the time for the provision of services beyond the time specified in the contract with the Corporation or such Subsidiary.

11.5 Upon the exercise of an Option, the Optionee shall make arrangements satisfactory to the Corporation regarding payment of any federal, provincial or local taxes of any kind required by law to be withheld with respect to the exercise of the Option. In addition, the Corporation shall, to the extent permitted by law, have the right to deduct from any payment of any kind due to the Optionee any federal, provincial or local taxes of any kind required by law to be withheld with respect to the exercise of the Option.

11.6 The Plan and the exercise of the Options granted under the Plan shall be subject to the condition that if at any time the Corporation shall determine in its sole discretion that it is necessary or desirable to comply with any legal requirements or the requirements of any stock exchange or other regulatory authority or to obtain any approval or consent from any such stock exchange or other regulatory authority as a condition of, or in connection with, the Plan or the exercise of the Options granted under the Plan or the issue of Shares as a result thereof, then in any such event any Options granted prior to such approval and acceptance shall be conditional upon such compliance having been effected or such approval or consent having been given and no such Options may be exercised unless and until such compliance is effected or until such approval or consent is given on conditions satisfactory to the Corporation in its sole discretion.

11.7 The Plan and all Option Agreements entered into pursuant to the Plan shall be governed by the laws of the Province of Ontario and the federal laws of Canada applicable therein.
